Corporate Events and Services:

Fun Format - Come out for 100 minutes of play. We guarantee it will be fun, relieve stress, and assist you in bonding with your colleagues.

Fun & Teamwork - This 3 hour program is a great starting point for recognizing and working within your unique group dynamic and corporate culture.

Teambuilding Programs - We have several 1/2 and full day programs that integrate pre-event assessments, business coaching, and post-event performance evaluations to assist in developing and improving your organization's teaming skills.

Company Picnics - Let Combat Sports bring their mobile laser tag or water wars to your next company picnic.

OPERATION: FUN

Load Up On Fun!

Join us at Combat Sports Outdoor Laser Tag Park to play the ultimate outdoor laser adventure game. Tweens, teens and adults will enjoy the recreational activity of outdoor laser tag. Combat Sports is the best of both worlds; it is accurate and programmable like indoor laser tag, it also has the elements of paintball (outdoor and high adrenaline), but without the pain or projectile. Combat Sports can guarantee one thing, it will be Loads of Family Fun!!

Gear

Each participant is issued an infrared unit that has an effective range of 1000 feet! The technology that is used by the gear is the same technology used by your TV remote control. Each unit has a red dot scope to increase the accuracy. The unit can be programmed for number of hit points and rate of fire. The weight of each unit is about 5 lbs.

Mission Play

Our format is mission based play. Different missions will be played during each session. Players are briefed by our staff prior to each mission to define the mission objectives. Some mission examples are:

Capture the Flag, King of the Hill, Respawn and Team Elimination

Popular Events at our Woodland Site:

- Birthday Parties
- Youth Group Trips
- Summer Camp Trips
- School Field Trips
- Company Socials
- Team Building Programs

Mobile Laser Tag

Let us bring the action to you. We will travel to your location with our inflatable city. The city game will be setup outside or inside a building.

This is a great addition to Youth Group lock-ins, Post Prom Events, Project Graduations, Fairs, Company Picnics and Summer Camps. This activity is best for ages 8 & up.

Water Wars

Let us bring this wet and wild game of water tag to you. We will bring the inflatable city, water taggers, goggles and vests to your location. This is a great way to cool off on a hot day.

This event is done by many summer camps, fairs, company picnics and school field days. This activity is for ages 6 & up.
