OPERATION: FUN

Load Up On Fun!

Join us at Combat Sports Outdoor Laser Tag Park to play the ultimate outdoor laser tag adventure game. Tweens, teens and adults will enjoy the recreational activity of outdoor laser tag. Combat Sports is the best of both worlds; it is accurate and programmable like indoor laser tag, it also has the elements of paintball (outdoor and high adrenaline), but without the pain or projectile. Combat Sports can guarantee one thing, it will be Loads of Family Fun!!

Gear

Each participant is issued an infrared unit that has an effective range of 1000 feet! The technology that is used by the gear is the same technology used by your TV remote control. Each unit has a red dot scope to increase the accuracy. The unit can be programmed for number of hit points and rate of fire. The weight of each unit is about 5 lbs.

Mission Play

Our format is mission based play. This allows different missions to be played during the session. Players are briefed by our staff prior to each mission to define the mission objectives and to preset their tagger units prior to starting the mission. Some mission examples are:

- Capture the Flag
- King of the Hill
- Call of Duty
- Base Defend
- Halo
- Respawn
- Team Elimination

Summer Camps

Don't let your camp miss the fun enjoyed by more than 110 camps last summer! Add outdoor laser tag to your activity list. Why? **Fun - Safe - Builds Team Work - Affordable**

You can come to our site in Manalapan or we can go to your site with our inflatable field (shown). Let us kick off your Color Wars!

Youth & School Groups

Outdoor laser tag will assist your group in developing: Team work, Peer Support, Communication Skills, and Leadership. Of course, having fun is our primary goal! We have done the following programs:

- Lock Ins (using our inflatable field)
- Fairs & Carnivals
- Project Graduations/After Prom Parties
- Team Building
- Fund Raisers
